Joshua Morgan Awarded \$5,000 Counseling Fellowship From NBCC and Affiliates

Monroe, LA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Joshua Morgan of Memphis, Tennessee, for the NBCC Minority Fellowship Program-Youth (MFP-Y). As an NBCC MFP-Y Fellow, Morgan will receive funding and training to support his education and facilitate his service to underserved minority populations, with a specific focus on transition age youth (ages 16–25).

The NBCC MFP-Y is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-Y, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$5,000 to Morgan and the 39 other master's-level counseling students selected to receive the fellowship award. Morgan is a graduate of Union University in Jackson, Tennessee, and is currently a master's student in the clinical mental health counseling program at the University of Louisiana at Monroe. Morgan hopes to work with people from various minority populations after he graduates, including Native American and LGBTQ communities. He is also interested in serving college students and military families. As a recipient of this fellowship, he is confident that future employers and programs will view him as a valued member of their teams.

The Foundation plans to open the next NBCC MFP-Y application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org.
