### Julieta Rubio Awarded \$20,000 Counseling Fellowship From NBCC and Affiliates

San Antonio, TX—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Julieta Rubio, of San Antonio, Texas, for the National Board for Certified Counselors Minority Fellowship Program (NBCC MFP). As an NBCC MFP Fellow, Rubio will receive funding and training to support her education and facilitate her service to underserved minority populations.

The NBCC MFP is made possible by a grant first awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in August 2012. The Foundation is contracted by NBCC to administer the NBCC MFP, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to strengthen the infrastructure that engages diverse individuals in counseling and increases the number of professional counselors providing effective, culturally competent services to underserved populations.

The NBCC MFP will distribute \$20,000 to Rubio and the 22 other doctoral counseling students selected to receive the fellowship award. Rubio is a graduate of Our Lady of the Lake University in San Antonio, Texas, and is both a student and graduate of the University of Texas at San Antonio, where she is currently pursuing a doctoral degree in counselor education and supervision. Her research area is in Latino mental health and bilingual counseling and supervision. She is currently serving the homeless population and at-risk children in an emergency shelter. The NBCC Minority Fellowship Program will help her to complete her education so that she may better serve diverse minority populations. It will also help her continue to provide mental health services and research underserved populations.

The Foundation plans to open the next NBCC MFP application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit [www.nbccf.org](http://www.nbccf.org).
