Sharon Kim Awarded \$20,000 Counseling Fellowship From NBCC and Affiliates

Williamsburg, VA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Sharon Kim, of Williamsburg, Virginia, for the National Board for Certified Counselors Minority Fellowship Program (NBCC MFP). As an NBCC MFP Fellow, Kim will receive funding and training to support her education and facilitate her service to underserved minority populations.

The NBCC MFP is made possible by a grant first awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in August 2012. The Foundation is contracted by NBCC to administer the NBCC MFP, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to strengthen the infrastructure that engages diverse individuals in counseling and increases the number of professional counselors providing effective, culturally competent services to underserved populations.

The NBCC MFP will distribute \$20,000 to Kim and the 22 other doctoral counseling students selected to receive the fellowship award. Kim is a graduate of the University of Illinois at Urbana-Champaign and of Eastern Illinois University in Charleston and is currently a doctoral student in the counselor education and supervision program at the College of William and Mary in Williamsburg, Virginia. Her research area is combining school and family counseling and working with first- and second-generation immigrant families of color. This fellowship will help her to achieve her goals of providing resources to underserved populations within school settings by working with students as well as their families.

The Foundation plans to open the next NBCC MFP application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org.
