### **Shea Daniels Receives Rural Scholarship From the NBCC Foundation**

Chillicothe, OH—The NBCC Foundation, an affiliate of the National Board for Certified Counselors, Inc. (NBCC), recently awarded a \$5,000 2015 NBCC Foundation rural scholarship to Shea Daniels, of Chillicothe, Ohio. The rural scholarship is awarded to counseling students who commit to practicing in rural areas upon graduation.

The mission of the NBCC Foundation is to leverage the power of counseling by strategically focusing resources for positive change. The Foundation created the rural scholarship in 2009 to improve access to counseling services in rural communities, which suffer disproportionately from a lack of mental health care. Nearly 40 students from across the country applied for the five 2015 rural scholarships.

As a rural scholarship recipient, Daniels will receive \$5,000 to support her counseling education and recognize her commitment to the underserved. A graduate of Ohio University in Athens, Daniels is currently a master's student in the school and clinical mental health counseling programs at Ohio University-Chillicothe. To serve the most at-risk and vulnerable youth in Ohio's Appalachia, she has chosen to pursue counseling and remain in her rural community, because she dreams of a future where the children in her community know they are significant, know they are capable, and know they have the right to work toward any future they desire. This scholarship will help her become the kind of highly qualified, specially trained mental health practitioner who can make a positive difference for the youth of her region.

The NBCC Foundation has also awarded five \$5,000 military scholarships to increase the number of counselors serving fellow military personnel, veterans and their families. The Foundation plans to continue offering scholarships to increase the number of counselors in the areas where they are needed most and will open the next application period in September 2015.
