### **Shehnila Ali Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates**

Durham, NC—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Shehnila Ali, of Spring Lake, North Carolina, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Ali will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$11,000 to Ali and the other master's-level addictions counseling students selected to receive the fellowship award. Ali is a graduate of Georgia Southern University in Statesboro and is currently a master's student in the clinical mental health counseling program at North Carolina Central University in Durham. After graduation, she intends to work with the underserved minority youth population dealing with co-occurring mental health and substance use disorders. This fellowship will help her further her education in substance abuse counseling and will allow her to better serve her target population.

The Foundation plans to open the next NBCC MFP-AC application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit [www.nbccf.org](http://www.nbccf.org).
