William Hemphill Awarded \$5,000 Counseling Fellowship From NBCC and Affiliates

Atlanta, GA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected William Hemphill of Stone Mountain, Georgia, for the NBCC Minority Fellowship Program-Youth (MFP-Y). As an NBCC MFP-Y Fellow, Hemphill will receive funding and training to support his education and facilitate his service to underserved minority populations, with a specific focus on transition age youth (ages 16–25).

The NBCC MFP-Y is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-Y, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$5,000 to Hemphill and the 39 other master's-level counseling students selected to receive the fellowship award. Hemphill is a graduate of the Georgia Institute of Technology in Atlanta and Candler School of Theology at Emory University in Atlanta. He is currently a master's student in the mental health counseling program at Georgia State University in Atlanta. Upon graduation, Hemphill intends to serve minority families, men, couples and individuals.

The Foundation plans to open the next NBCC MFP-Y application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org.
