Kiersten P. Wenthold Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

Milwaukee, WI—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Kiersten P. Wenthold, of Milwaukee, Wisconsin, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Wenthold will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the

available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute up to \$11,000 to Wenthold and the 33 other master's-level addictions counseling students selected to receive the fellowship award. Wenthold is a graduate of the University of Dubuque, in Iowa, and is currently a master's student in the clinical mental health counseling program at Marquette University, in Milwaukee, Wisconsin. After graduation, Wenthold aims to serve minorities battling substance abuse through counseling and advocacy. She has a desire to stimulate change and sustain hope, which she intends to instill in her clients. The NBCC fellowship is an incredible opportunity for Wenthold to expand her competencies with the minority and addictions population while she strengthens her identity as a substance abuse counselor.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 30 \$8,000 master's-level fellowships through the [MFP-Youth](#) (MFP-Y). The Foundation plans to open the next NBCC MFP-AC application period in fall 2018. To learn more about the NBCC MFP and its fellows, please visit <http://www.nbccf.org/Programs/Fellows>.
