Brandon M. Roberts Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates

Beaumont, TX—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Brandon M. Roberts, of Port Arthur, TX, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Roberts will receive funding and training to support his education and facilitate his addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$11,000 to Roberts and the other master's-level addictions counseling students selected to receive the fellowship award. Roberts is both a student and graduate of Lamar University, in Beaumont, Texas, where he is currently a master's student in the clinical mental health counseling program. Upon graduation, Roberts plans to work with those in both the adult and juvenile criminal justice systems.

The Foundation plans to open the next NBCC MFP-AC application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit www.nbccf.org.
