### **Mary Williams Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates**

Trenton, NJ—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Mary Williams, of Trenton, NJ, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Williams will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute \$11,000 to Williams and the other master's-level addictions counseling students selected to receive the fellowship award. Williams is a graduate of Delaware State University, in Dover, and is currently a master's student in the clinical mental health counseling program with a focus on addictions at The College of New Jersey, in Trenton. Upon graduation, she plans to serve youth and the underserved population that struggles with substance abuse and co-occurring disorders.

The Foundation plans to open the next NBCC MFP-AC application period in September 2015. To learn more about the NBCC MFP and its fellows, please visit [www.nbccf.org](http://www.nbccf.org).
