### Cherry C. Haywood Awarded \$8,000 Counseling Fellowship From NBCC and Affiliates

Decatur, GA—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Cherry C. Haywood of Decatur, Georgia, for the NBCC Minority Fellowship Program-Youth (MFP-Y). As an NBCC MFP-Y Fellow, Haywood will receive funding and training to support her education and facilitate her service to underserved minority populations, with a specific focus on transition-age youth (ages 16–25).

The NBCC MFP-Y is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-Y, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the

number of available culturally competent behavioral health professionals.

The NBCC MFP will distribute \$8,000 education awards to Haywood and the 29 other master's-level counseling students selected to receive the fellowship award. Haywood is both a student and graduate of Argosy University, Atlanta, in Georgia, where she is pursuing a master's in clinical mental health counseling. Upon graduation, Haywood intends to open a youth community counseling organization to serve underserved populations.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 34 master's-level fellowships of up to \$11,000 through the [MFP-Addictions Counselors](#) (MFP-AC). The Foundation plans to open the next NBCC MFP-Y application period in fall 2018. To learn more about the NBCC MFP and its fellows, please visit <http://www.nbccf.org/Programs/Fellows>.
