### **Holly Angela Humphrey Awarded \$11,000 Counseling Fellowship From NBCC and Affiliates**

Pine Bluff, AR—The NBCC Foundation, an affiliate of the National Board for Certified Counselors (NBCC), recently selected Holly Angela Humphrey, of Pine Bluff, Arkansas, for the NBCC Minority Fellowship Program-Addictions Counselors (MFP-AC). As an NBCC MFP-AC Fellow, Humphrey will receive funding and training to support her education and facilitate her addictions counseling service to underserved minority transition-age youth (ages 16–25).

The NBCC MFP-AC is made possible by a grant awarded to NBCC by the Substance Abuse and Mental Health Services Administration (SAMHSA) in September 2014. The Foundation is contracted by NBCC to administer the NBCC MFP-AC, as well as training and collaboration activities, such as [webinars](#), that are open to all National Certified Counselors (NCCs). The goal of the program is to reduce health disparities and improve behavioral health care outcomes for racially and ethnically diverse populations by increasing the

available number of culturally competent behavioral health professionals.

The NBCC MFP will distribute up to \$11,000 to Humphrey and the 33 other master's-level addictions counseling students selected to receive the fellowship award. Humphrey is both a student and graduate of the University of Arkansas at Pine Bluff, where she is currently pursuing a master's in addiction studies. Upon graduation, Humphrey aspires to work with transition-age minority youth, particularly those who identify with substance abuse. She would also like to work with people who are often marginalized, such as ethnic minorities and people living in rural areas. Humphrey has a strong passion to help with individuals suffering from substance misuse and abuse. Earning this fellowship will allow Humphrey to attend counseling conferences to establish a stronger professional identity as a counselor, learn evidence-based practices to better serve the underserved populations, and advocate for the counseling profession.

The NBCC Foundation has also awarded 23 \$20,000 [doctoral fellowships](#) through the Minority Fellowship Program and 30 \$8,000 master's-level fellowships through the [MFP-Youth](#) (MFP-Y). The Foundation plans to open the next NBCC MFP-AC application period in fall 2018. To learn more about the NBCC MFP and its fellows, please visit <http://www.nbccf.org/Programs/Fellows>.
